For the Cure of
COUGHS, COLDS, HOARSE-
NESS, BRONCHITIS, WHOOPING
COUGH, ASTHMA,
CONSUMPTION.

Of all the coughs and colds, the most
common is the one which is caused by
the action of the cold on the throat and
the lungs. It is the most common of all
the diseases of the throat and lungs,
and is the most common of all the
diseases of the throat and lungs.

the people and the Government. The Government has been very successful in its efforts to bring about a more equitable distribution of income and wealth. The Government has also been successful in its efforts to bring about a more equitable distribution of income and wealth. The Government has also been successful in its efforts to bring about a more equitable distribution of income and wealth.
